

Dear Industry Professionals,

I have been holding on to your email in my *ActorTrack* database. I've either worked with you, for you, been in callbacks for projects you have written, produced, directed, cast, or met you at networking events etc. and NOW I want to share some exciting career announcements with you!

It is with much enthusiasm that I invite you to check out the trailer for the feature film **Green River- *Trust A Friend or Trust A Stranger***.

I shot this leading role in a psychological thriller in Montana. It was a life-enhancing experience that reaffirmed my dedication to my career!

Visit Green River on **IMDB** (<http://www.imdb.com/title/tt0403085/videogallery>) to see the trailer and learn more about the project.

If you have any other Industry contacts in your database who you want to share this with, then please direct them to Green River on IMDB (<http://www.imdb.com/title/tt0403085/videogallery>) .

Thank you so very much for your time. I hope to work with you or see you soon!

Be BOLD,

Kristina Hughes
